### **COACHING THE WRONG PLAYS: A DEEP DIVE ON COACHING VS. TELLING**

*Giving better direction to facilitate problem solving*

## KEYNOTE

# YOUR LEADERSHIP SUCKS... NOW WHAT?

*Balancing leadership priorities: goals, procedures and people*

## DESCRIPTION

Leaders can struggle when they fail to balance three critical priorities: achievement of goals, control over procedures and developing strong working relationships. Great leaders get things done, through effective and efficient processes, and in a way that makes others want to work with them again.

## WHAT PEOPLE ARE SAYING

**“Angel’s presentation on balancing the goals, procedures and people priorities was captivating for all the human resources executives we had in the room. In just a short amount of time and with a seemingly simple model, he was able to demonstrate how our orientation toward one priority unintentionally impacts the other two, and ultimately how we show up as HR leaders. Angel raised our level of consciousness.”**

Kerri St. Jean  
SVP HR, Comcast

## SESSION LENGTH

60-90 minutes

## ROOM SIZE

Best for groups of 200+

## PARTICIPANTS WILL:

- + Learn to balance leadership priorities: goals, procedures and people
- + Focus on areas of their approach that need attention
- + Unlock their full leadership potential

#### KEYNOTE

## THE LEADERSHIP TRINITY: POWER, BRAIN, JUICE

*Knowing your strengths, weaknesses,  
learning preferences and motivators*

#### DESCRIPTION

Authentic leadership starts with knowing a few things about who you are as a professional, including what gives you strength, what takes it away, how you learn and what motivates you.

#### WHAT PEOPLE ARE SAYING

**“Angel has an amazing and unique ability to connect with his audience. He uses humor and key insights to drive home how to leverage your strengths and address your weaknesses. He got rave reviews from the audience at our conference.”**

Samantha Renovato

*Sr. Manager, Diversity & Inclusion Analytics at Nielsen*

#### SESSION LENGTH

60-90 minutes

#### ROOM SIZE

Best for groups of 200+

#### PARTICIPANTS WILL:

- + Identify their strengths and weaknesses
- + Understand their learning preferences and motivators

#### KEYNOTE

## MINDWAVE: MAKING THE RIGHT DECISIONS WITH THE RIGHT PEOPLE

*Gaining buy-in through collaborative decision-making*

#### DESCRIPTION

Making decisions with others is challenging. Great leaders are strategic in their approach, to include others in making decisions and effectively gain more buy-in and support.

#### WHAT PEOPLE ARE SAYING

**“Angel’s approach to collaborative and inclusive decision-making was a game-changer for me and our organization. His session was insightful and, most of all, practical. We still use his approach to making decisions as a team, even after all these years since he spoke.”**

Gloria Castillo  
President & CEO  
Chicago United

#### SESSION LENGTH

90 minutes

#### ROOM SIZE

Best for groups of 40-50

#### PARTICIPANTS WILL:

- + Hone their decision-making skills
- + Learn to authentically collaborate and practice real inclusion
- + Understand the power of gaining buy-in during the decision process

#### KEYNOTE

## COACHING THE WRONG PLAYS: A DEEP DIVE ON COACHING VS. TELLING

*Giving better direction to facilitate problem solving*

#### DESCRIPTION

Coaching is not telling—it is facilitating the thinking of others while problem solving. It starts with understanding the current and future state, and only then diving into the solution space.

#### WHAT PEOPLE ARE SAYING

**“Our members consistently rank Angel as one of the best speakers at the Chicago Bar Association Leadership Institute. He delivers an engaging and interactive session on leading teams and coaching others in a way that truly resonates with the audience. Participants seek him out after our program for even more coaching advice.”**

Jennifer Byrne

Director of the Young Lawyers Section  
The Chicago Bar Association

#### SESSION LENGTH

90 minutes

#### ROOM SIZE

Best for groups of 40-50

#### PARTICIPANTS WILL:

- + Acquire strategic skills to give better direction
- + Uncover what it means to be not just a leader, but a coach
- + Learn to see the full picture and develop thoughtful solutions

## TESTIMONIALS

“Angel has a unique style that is engaging and inspiring...he is truly an authentic person which resonates with his audience. I always look forward to participating in Angel’s workshops and would encourage others to do the same...you will walk away delighted with a good dose of useful and common-sense tools to use every day.”

**Raymond McCall**

*Former SVP, Ahold Delhaize*

“If you are a consultant seeking out guidance, Angel is your man. If you are an institution looking to invest in your people, Angel is your man. If you are an event planner in need of a keynote speaker or workshop facilitator, Angel is your man. If you are looking to revamp your career, Angel is your man. Basically, what I am saying is, Angel is THE MAN!!”

**Victoria Jenn Rodriguez**

*Founder of VJR Enterprises and the Female Collaborative*

---

“I was fortunate enough to attend a management training seminar that Angel facilitated. He is an extremely charismatic and engaging presenter. Through Angel’s humor and contagious energy, he was able to engage the entire audience, and his message on being a successful leader of people gave me tools to use immediately and goals to strive for. I highly recommend Angel for any company that wants to encourage their leaders to build and inspire productive teams.”

**Carmen Lopez**

*Talent Acquisition Consultant, Grainger*
